

The Express Scripts mobile app

Stay on track while you're *on the go*.

The Express Scripts mobile app helps you manage your personal medicine information – anytime, anywhere. Using your mobile device, scan the QR code to download the app now for free! You can also search for “Express Scripts” and download the app from your app store.*

After downloading, log in with your username and password. First-time visitors must register using their member ID number or Social Security number (SSN). You can use your device’s **touch ID authentication** to login, if available.

You’ll have instant access to these great features:

Refills and Renewals[†]

Running low? Order home delivery refills right to your door.

Order Status[†]

Just swipe the screen to track your home delivery prescription order status.

Dose Reminders

Set reminders to help you manage medicines and stay on track.

Transfer to Home Delivery[†]

Save the runaround (and maybe some money) on prescriptions you take on a regular basis.

Price a Medication

Compare drug prices for home delivery with multiple local retail pharmacies.

Pharmacy Care Alerts[†]

Get personalized alerts to make sure you’re following your doctor’s prescribed treatment plan.

Claims and History

View your past prescription activity.

Locate a Pharmacy[†]

Search for the nearest in-network preferred retail pharmacies, view contact information and access directions.

Virtual Member ID Card[†]

Forgot your card? No problem. If you’ve got your device, you’ve got your ID.

Download the Express Scripts Mobile App today for free!

Redesigned dashboard, as pictured, available spring 2019.

* The Express Scripts mobile app is available for iPhone®, iPad® and Android® mobile devices.

† Available if these features available with your plan.
