Nationwide Pet Insurance

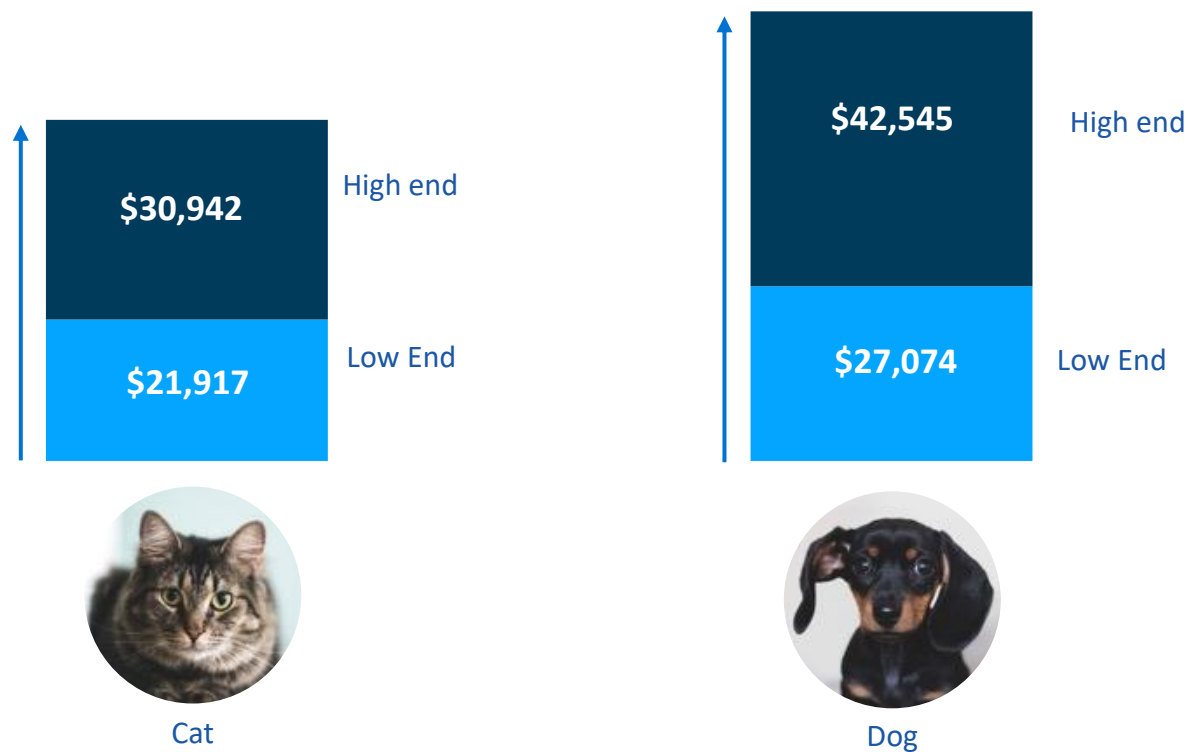

Pet Economics

The cost of pet ownership is increasing significantly

98% of pet owners underestimate the lifetime cost of a pet

Average cost of owning a pet over its lifetime

Owners will likely incur at least one \$2,000 - \$5,000 bill for emergency care at some point during a pet's lifetime

Pet-o-nomics and the need for financial support

The cost of pet ownership is rising

70%

increase in pet care costs over the last decade

\$30.1B

spent on veterinary care and product sales in 2020

MORE THAN
\$11K

spent by average pet owner to save their pet's life

Pet insurance offers peace of mind

78%

of people underestimate how much owning a dog or cat costs in the first year alone

33%

of Americans can't cover an unexpected medical bill over \$1000

56%

of employees are stressed about their financial situation

Is pet insurance worth it?

Yes, especially when you need it most.

1/5 of American pet owners report going into over **\$1,500**

in debt due to pet care costs.

With insurance, an \$8,000 vet bill for your pet's cancer treatment doesn't have to put the rest of your life on hold.

88%

of Americans with a pet insurance policy think pet insurance is worth the cost

56%

of Americans that do not have pet insurance were not aware of it

77%

of Americans with pet insurance say it has come in handy for emergency expenses
