Evidence of insurability (EOI)

Instructions for online submission

What is EOI and when is it needed?

EOI is the information we use to verify your good health when you're purchasing insurance. We require EOI if you're:

   - Qualifying questions, including if you or other applicants have been diagnosed with a disease or are prescribed medications for a condition
   - Medical questions — if you or other applicants have a health condition, we may need to know a little more about it, such as the name, diagnosis date, and treatments
